Registration during set-up and dismantling

Exhibitors, stand construction companies and freight forwarders can register in advance online, allowing them to easily download and print their own registration confirmation form. You can drive to the specified Check-In with this registration confirmation form. Please follow the signs. As soon as a loading zone becomes available, you will be given an authorisation form allowing your vehicle to enter the exhibition grounds, along with the gate through which you should enter. The direct link to the online registration is:
